Masters (adult)	19 – 99	1-3 * 90 min	<b>\$55</b>	<b>\$555 (11 months)</b>

### Athlete Memberships:

For both insurance coverage and competition eligibility, we must bill all Youth swimmers for membership in USA Swimming (annual **\$51** per swimmer, or **\$28** summer-only; please include with Club check, NOT a separate check to Ozark). Youth new members need to return to us a USA Swimming Athlete Membership form (not required for returning members).

Masters should join US Masters Swimming (apply directly to the branch organization, see <http://www.swimslam.org> ). Please join as a SLAM member.

### Payment:

Initial payment due at registration can be calculated on the accompanying page: USA-Swimming if applicable plus club fees for either first two months, or discounted annual payment. Further payments are billed every two months; **if you stop swimming, please immediately notify Club Treasurer.** Indoor Natatorium pool usage is included with UCSC membership, but University City charges separate admission for outdoor Heman Park pool usage. Monthly payment plans or reduced rates are available, if needed to make possible anyone's participation.

### Competition Requirements:

There are no competitive requirements for first year Stroke Development swimmers. All other groups are strongly encouraged to attend our 3 UCSC hosted and co-hosted meets (bold face below) as well as one additional meet. **We require at least one parent of each youth swimmer to help with lane timing, hospitality, or concessions for UCSC hosted and co-hosted meets.**

Youth swimmers sign up in advance for desired meets. UCSC submits a team entry and pays non-refundable fees for each swimmer who has signed up. Your next statement bills for the amounts paid on your behalf, usually \$20 to \$30 depending on the Meet and on number of events you enter. Our fee structure depends on everyone following through on their financial commitments, and on donations, the swim-a-thon, and successfully hosting meets. Thank you for your support!
